GOVERNMENT OF INDIA
DRINKING WATER AND SANITATION
LOK SABHA

UNSTARRED QUESTION NO:4319
ANSWERED ON:11.08.2016
Drinking Water and Sanitation Projects
Patle Smt. Kamla Devi

Will the Minister of DRINKING WATER AND SANITATION be pleased to state:

(a) the details of the drinking water and sanitation projects submitted by different States including Chhattisgarh during each of the last three years and the current year;
(b) the details of approval/under consideration/non-approved projects and reasons for their rejection/delay in approval; and
(c) the State-wise details of funds released for the purpose during the said period?

Answer

MINISTER OF STATE FOR DRINKING WATER AND SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

(a) & (b) Rural drinking water supply is a State subject. Ministry of Drinking Water & Sanitation through National Rural Drinking Water Programme (NRDWP) supplements the efforts of States to provide drinking water to rural population by providing technical & financial assistance. The State Governments are vested with powers to select, plan, approve and implement drinking water supply projects. Drinking Water Supply Projects prepared by the States do not come to this Ministry for approval. The States have a State Level Scheme Sanctioning Committee (SLSSC) which approves the same.
Under Swachh Bharat Mission (Gramin) {SBM(G)}, the programmatic projects are sanctioned district-wise. Currently, 650 district sanitation projects have been sanctioned and under implementation. 43 districts projects have been received and sanctioned during last 3 years and current year. The State/UT wise details is at Annexure - I. No project is pending under SBM (G).

(c) The State-wise details of funds released to the States under NRDWP are at Annexure-II. State/UT-wise, Central share release during last three years and current year under SBM(G) is at Annexure-III.
